Docket No. 98-N-1265  
Food and Drug Administration  
5600 Fishers Lane Room 1061  
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I  
OBJECT to the definition of "inordinate amount" which restricts the availability and  
the right to obtain necessary compounded medications by limiting the number of  
prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

Comments: *I oppose the draft p104 - I must  
have specific hormones which can  
only be issued from a compounding  
pharmacy, at a cost I can afford, I work  
part-time, am 59 yrs. old and on a  
very limited income -*
